

Dear prospective member,

Thank you for your interest in joining one of the oldest community organizations in Chicago. The Beverly Hills University Club Scholarship Foundation has been in existence since 1922. We have been raising money for scholarships for more than 80 years and have provided over \$1,000,000.00 during that time, in today's money. While funding for scholarships is a key purpose in our organization, We also enjoy various social activities over the year. We invite you to be a part of both aspects of the foundation. It is with pleasure that we look forward to reviewing your application for membership and anticipate your active involvement.

Sincerely
